

Dexcom CLARITY®

With Dexcom CLARITY, it's never been easier to evaluate patients' glucose patterns, analyse data and modify treatment protocols—all from your clinic computer.

Quickly assess key metrics on one Dashboard

Additional Features

See all of your patients on one screen with the **clinic overview** page.

Get a synopsis of daily glycaemic trends on the **data overlay graph**.

Dive deeper into patient high and low events in the **pattern reports**.

Visit www.clarity.dexcom.eu to register your clinic today!
