# diasend® Personal Uploader for t:slim X2™

## Getting Started Guide

>

1   Log in or start a new account at www.diasend.com.au

Already have an account?
Log in with your user details.

New to diasend?
Create an account.

Note: Choose the 🌐 icon for your country of residence.

2   Download the diasend Uploader software

Complete the registration for a new account and download the diasend® Uploader software in the final step of the registration process.

*Note: If you would like to install the diasend® Uploader, you can access the installation file from your account. To do so, log into your account and go to **Tools**.*

3 Save the installation file

You have chosen to open:

📄 **DiasendUploaderPatient2.4.0_BuildR2e02.exe**

Which is a: binary file (16,2 MB)
From: https://www.diasend.com

Would you like to save this file?

[Save File]   [Cancel]

Note: Compatible operating systems:
Windows 7, 8 and 10, macOS X 10.6-10.13
*Visit **https://goo.gl/YdGju1** to stay up to date with*
any compatibility changes.

4 Locate the installation file and run the file
Depending on your web browser, you may need to search for the downloaded installation file, or you may just get a pop up window to run the file.

If you are a PC user: look in your recent downloads folder.

If you are a Mac user: look in the downloads folder in Finder.

5 Start diasend Uploader

Double click on the diasend Uploader icon on your desktop to start the program.

Note: Make sure you have restarted your computer before starting up diasend Uploader for the first time.

## 6 Connect your diabetes device cable to the computer

Connect the microUSB cable to the computer. Once the cable is connected, wait a few seconds for the cable drivers to be recognised, then connect to the t:slim X2 Insulin Pump.

Note: Make sure to use the cable that came with your t:slim X2 Insulin Pump.

## 7 Log in at www.diasend.com to view your data

All your uploaded data is presented in easy-to-read tables and graphs.

The reports are divided into the following tabs:

Glucose CGM Insulin Comparison Compilation

8 Share your data with a clinic

You can share your data with your healthcare provider by entering their clinic ID, under the tabs **Account admin** and **Share data**. Don't forget to click **Update**.
