All Dexcom users must review all training materials provided with the product. If the Dexcom user requires further training on the product, they must contact their healthcare professional or contact AMSL Diabetes for further assistance. If glucose alerts and readings do not match symptoms or expectations, user should use a blood glucose meter. It is the Dexcom user's responsibility to seek appropriate advice when necessary and to use the device as per usage instructions. The warranty conditions for the Dexcom systems can be found on our website. In agreement with the Privacy Act 1988 (Cth), the Dexcom user's records will be maintained in accordance with the National Privacy Principles. The Dexcom user assigns indemnity to AMSL from and against all claims of whatsoever nature (to the maximum extent permitted by law) relating (whether directly or indirectly) to the Dexcom CGM Systems. Dexcom is only indicated for use in patients with type 1 diabetes over 2 years old and is not indicated for use in pregnancy or patients on dialysis treatment. Receivers, transmitters and sensors are not for resale. Use of non-approved platforms will invalidate the warranty for the receiver, sensor and transmitter. After your initial order, you may order on our website amsldiabetes.com.au. Prices are valid as of 19th May 2020. Dexcom and Dexcom G6 are registered trademarks of Dexcom, Inc. in the United States and/or other countries.
