

Clinic Training Checklist

Important: The following will be reviewed by an AMSL Diabetes representative, with any healthcare professional (HCP) that chooses to train patients on the Dexcom G6 Continuous Glucose Monitoring (CGM) system. After completing, the clinic will be considered trained and a Training Certificate can be issued.

Clinic Name: _____

HCP Name(s): _____

Trained By: _____

Date of Training: _____

<input type="checkbox"/>	Review Indications for Use and Maintenance <ul style="list-style-type: none">• Indications for use [see Using Your G6 guide]• Basic maintenance, including storage [see Using Your G6 guide]
